

Jenny works in the Village all the year round

Not just at election time!

THANK YOU, for the warm welcome that you have given me during this election campaign. I am still trying to see as many people as I can but, if I miss you and you want to ask me a question please ring me on 861042.

As a member of, and with the support of the Parish Council, Jenny initiated the We Live Here project designed to involve and enable the community to improve the quality of life within the Village. The group produced the Welcome Pack, the Silverton Directory and then set up a litter picking group. Pictured on the right is Jenny as she sets off on a litter pick. You have probably seen our group tidying up the village?

If you elect me, I will ask the questions of the Council that the public want answering.

I will play it straight with no perks. I will say what I mean and mean what I say.

Jenny Roach.

Jenny lives in Silverton; Silverton is her home, she is the only candidate in this election who lives in the ward. For real local representation please support the

**LOCAL
CANDIDATE.**

Cllr Richard Jones is endorsing Jenny in this election; he says "I have known Jenny for over 30yrs. As a Councillor she has always sought to look after the needs of the residents of Silverton and Ellerhayes. Living in the village, she lives with the problems we all experience and has shown that she is able to get things done."
